

Health care redefined

Comprehensive. Innovative. Reimagined with you in mind.

At Kaiser Permanente, your doctors, hospitals, and health plan work together to provide a better kind of care experience that's constantly evolving to fit your life. Because to us, your busy schedule isn't a barrier: It's a reason to make good health easy.

Good health, virtually anywhere

Care your way – Skip the drive and save time with phone appointments, video visits, and emails to your doctor's office.

Wellness tools at your fingertips – Appointments. Prescriptions. Lab results. Manage your health online or in our app – wherever, whenever.

Remote teamwork – On-site video conferencing allows more doctors in the exam room for faster, more coordinated care.

Care that travels with you

Better care across the country – Access to 767 state-of-the-art medical facilities, plus walk-in clinics at CVS.*

Global coverage – Urgent care. Emergency care. Anywhere in the world, whenever you need it most.

24/7 travel support – Tips for healthy trips, facilities locations, and hassle-free reimbursements, just a call or click away.

Better care starts with a better experience. Explore more at kp.org/builtforyou.

*Care at CVS MinuteClinic available when traveling in states without Kaiser Permanente providers.
