Routine Care Coverage

Routine care coverage for dogs and cats helps pay for regular veterinary visits. From regular checkups, to dental cleanings and blood work, routine care helps catch diseases early to ensure a longer, happier, and healthier life for your pet. Routine care coverage is an excellent way to budget for your pet’s expected medical expenses, especially if you have a new kitten or puppy.

There are two tiers of routine care coverage that can be added to one of our pet health insurance plans for an additional premium at the time you enroll, or at your annual renewal. Benefits are available to you on your policy start date, so you can start using your routine care plan as soon as your policy goes into effect.
